WELCOME TO KINDY CONNECT

Kindy Connect offers children starting big school the chance to take part in play sessions which are designed to help settle nerves, develop skills and connect children through play and games.

Kindy Konnect will develop school readiness expectations such as

- ★ Listening skills and the ability to follow directions.
- ★ Social skills - turn taking, cooperation, teamwork.
- ★ Positive self-esteem and confidence.
- ★ Resilience and a growth mindset.
- ★ Number, sequence and counting skills

Supported by our experienced teachers, children will spend the morning playing together in fun group activities and team building games with the aim of fostering friendships, confidence and resilience, in preparation for the big first day.

WHAT DOES MY CHILD NEED TO BRING?

Children will need to bring along food for morning tea and lunch as well as plenty of water. Ideally, this is in a backpack so they can practice packing and unpacking their bag as well as looking after their belongings.

Children will be taken to the canteen to experience a school-like setting. If you would like your child to participate, please provide a small amount of spending money in a clearly labelled purse or zip-lock bag.

WHAT DOES MY CHILD NEED TO WEAR?

Running shoes and comfy clothes which allow them to be active.

DO I NEED TO PARTICPATE?

Children take part in the session independently - you are welcome to drop them off. If you would like to remain onsite, please remain out of sight of your child. This will help them settle into the session.
